**\*\*MAYOR\*\***

**Vote Ranked Choice 1-2-3 To Replace Ed Lee!**

**Rank 1st: FRANCISCO HERRERA**

**Rank 2nd: AMY FARAH WEISS**

**Rank 3rd: STUART SCHUFFMAN**

*Send the strongest possible message to City Hall that you will no longer tolerate Mayor Ed Lee! Lee is a puppet of rapacious Wall Street developers and is enabling them to hijack and ruin our city. Housing costs, residential rents, and commercial rents, are all skyrocketing. Thousands of small businesses, and low to middle income San Franciscans can no longer afford to remain here. The culture of San Francisco is being demolished, as the 1% is taking over the city.*

*Vote for these top three progressive candidates to send a strong message to City Hall that you do not support Lee's destructive, corporate driven policies!*
